

<b>OCCUPATIONAL HEALTH AND SAFETY DOCUMENT</b>	<b>GREEN CONTRACT SERVICES LTD</b>	<b>SECTION</b> :SHEQ
	<b>ASBESTOS SURVEYING POLICY</b>	<b>ISSUE NO</b> :9 <b>DATE</b> :Jan 2016 <b>PAGE</b> :1 of 1

The Company aims to undertake its surveying activities, as a Type C Inspection Body, in line with the British Standard ISO 17020 and guidance documentation HSG 264 and RG8. Green Contract Services is an independent Company that ensures no relationship with any body affects its impartiality and independence in Asbestos Surveying activities.

To achieve this Green Contract Services have implemented and documented a Quality Management system that conforms to the requirements of ISO 9001, have implemented and documented a Safety Management system that conforms to the requirements of ISO 18001 and implemented and documented a Environmental Policy which conforms to the requirements of ISO 1400. The Company aims to ensure it keeps abreast of legislation and best practice through its membership of Thermal Insulation Contractors Association (TICA) and its participation with the Asbestos Licensing Group (ALG) website and to exchange knowledge with other interested party's, subject to commercial sensitivities and confidentiality, and learn from each other to improve the general standard and consistency of accredited inspection results.

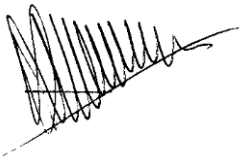

The scope of its surveying work includes Management, Demolition and Refurbishment surveys and the Re-inspections of asbestos surveys (re-inspection surveys are not UKAS accredited) to determine the existence and condition of asbestos containing materials within Domestic, Commercial and Industrial premises.

The Company will always offer the best possible service to its clients and because of this does not offer any remuneration to surveyors via incentive or bonus schemes concerning the amount of surveys completed or samples collected.

All staff employed by the Company have signed a Confidentiality Clause with respect to Client information.

The Company will ensure segregation between staff performing surveying activities and removal maintenance activities to ensure that there are no conflicts of interest in the performance of these duties.

The objective of the company is to consistently and completely achieve customer satisfaction in all of the services offered by the company, and from this ensure a profitable business.
